**SENATE BILL**

**No. 574**

---

**Introduced by Senator Alpert**

February 20, 2003

---

An act to add Section 3702.85 to the Labor Code, relating to workers' compensation.

LEGISLATIVE COUNSEL'S DIGEST

SB 574, as amended, Alpert. Workers' compensation.

Existing law requires employers that elect to be self-insured for workers' compensation liabilities to obtain a certificate of consent to self-insure from the Director of Industrial Relations, and requires employers that cease to be self-insured to discharge their continuing obligations to secure the payment of workers' compensation that accrued during the period of self-insurance by complying with various procedures, including the deposit and maintenance of a security deposit with the director for accrued liability. Under these provisions, an employer, who is currently self-insured or who has ceased to be self-insured, may choose to discharge, without recourse or liability to the Self-Insurers Security Fund, its continuing obligations as a self-insurer, by purchasing a special excess workers' compensation insurance policy, in accordance with existing provisions of law regarding the transfer of liability to insurers and subject to certain approvals and rate filing requirements.

This bill would, notwithstanding any provision of law to the contrary, require the director to deem the purchase of loss portfolio transfer

insurance prior to January 1, 2000, by prescribed local ~~schools~~ *school* employers to have been the purchase of special excess workers' compensation policies pursuant to the above-described provisions. The bill would deem those policies to have been accepted by the director and would require the California Insurance Guarantee Association to discharge those liabilities in the event of the insolvency.

This bill would make certain findings and declarations regarding the inapplicability of a general statute within the meaning of Section 16 of Article IV of the California Constitution.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.
